Introducing Bushtec Safari

For over five decades, our brand has been a symbol of outstanding quality, sheer luxury, innovative design, and unparalleled expertise. As a division of the Canvas and Tent Group, which has been manufacturing tents since 1968, we bring you years of experience, unmatched quality and innovation that sets us apart. We have the experience to transcend the ordinary, where every stitch tells a story of luxury, every fabric holds the promise of comfort, and every tent is an ode to elegance.

Located at the foothills of the Drakensberg Mountains in Ladysmith, South Africa, our state-of-the-art factory is dedicated to setting new standards in tent manufacturing.

Our in-house team of engineers, architects, draftsmen, designers, and 'Archineers' ensures excellence, in designing bespoke structures from classic safari tents to contemporary tensile structures, all to meet client specifications.

Our products, designed to impress and built to last, are distributed globally, ensuring peace of mind through our extensive distribution network.
